Dear Mr. Bolen:

As a follow-up to our meeting on January 27, 2000, the Illinois Environmental Protection Agency (Illinois EPA) requests that the Region 5 Offices of the United States Environmental Protection Agency proceed with a time critical removal action within the two sealed areas of the former Greenburg Salvage Yard located in Murphysboro, Illinois.

The Illinois EPA appreciates the assistance and cooperation that U.S. EPA has offered throughout this removal activity. Please let us know if we may be able to provide any additional assistance throughout this removal action.

Sincerely,
